

Foundation Health and Social Care Course Disclaimer

The material provided on Belmatt Healthcare Trainings Foundation Health and Social Care Course is intended for educational and informational purposes only. This includes all material in the modules, videos, PDF attachments and multiple-choice questions (MCQ).

The course reflects guidance from the Care Certificate Standards, and it is the responsibility of the learner to have an identified mentor or assessor in clinical practice to sign off their competencies. Belmatt Healthcare Training or its staff are not responsible for checking the competency document or ensuring it is signed.

A certificate of course completion is given upon completion of all the modules on this Foundation health and Social Care Course and is in the form of a downloadable certificate. It signifies that the individual completed the educational material on the Foundation Health and Social Care course. This certificate in no way denotes level and competence.

In preparation of this course, the website as well as its manuals and course content, every effort has been made to offer the most current and correct information possible. However, inadvertent errors may occur. The course provider disclaims any responsibility for typographical errors and inaccuracy of the information. If misleading, inaccurate or otherwise inappropriate information is brought to our attention, a reasonable effort will be made to correct or remove it. We also reserve the right to make changes at any time without notice to our content and website.

In no event shall the course provider, or any of its subsidiaries be liable to any entity for any direct, indirect, special, consequential or other damages that are related to the use of, or the inability to use, the content.

By clicking on the **COMPLETE** button of this course, you acknowledge the above and agree that you the learner are responsible for completion of competency documents.
